EDGE™ AIR FLOW

MINI & MAXI AIR FRESHENER DISPENSERS

The flexible and simple to use programmable options offered in the **EDGE Air Flow** dispensers help keep facilities on top of their air care and fragrance issues.

Facilities, such as washrooms, are provided with consistent bursts of fragrance at regular intervals and at pre-programmed times.

EDGE Air Flow dispensers allow a choice of number of refills per year; choice of start and end time; days off selection feature; weekend on/off option. Set to your location conditions.

Available in black or white and a Mini or Maxi Air Freshener dispenser to suit location conditions or preferences.

EDGE™ POWER SPRAY

LARGE SPRAY AEROSOLS

The **EDGE Power Spray** Large Aerosol Air Freshener provides a big, bold hit of fragrance that has lasting impact in a variety of spaces.

The air freshener spray is dispersed as a fine mist with little to no mess or residue left over after use.

As it's a hand held large aerosol air freshener spray, you'll never need a dispenser (shake before use).

Each can of the **EDGE Power Spray** Large Aerosol Air Freshener lasts up to 200 sprays, and each single fragrance spray lasts up to 5 hours in the air.

DOUBLE EDGE™

DOUBLE SIDED URINAL SCREEN

The **EDGE Double Sided Urinal Screen** or "**Double EDGE**", is a cost efficient way of providing anti-splash protection for urinal areas and reduce bad smells and blockages, for **up to 30 days**.

Double sided: easy to use.

The **Double EDGE** provides a variety of highly perfumed fragrances to choose from, all enhancing washroom environments.

The **Double EDGE** offers 24/7 splash back protection thanks to spikes on **both sides of the screen**.

EDGE™ SHIELD PLUS

SHIELD FROM SPLASH BACK & BAD SMELLS

The **EDGE Shield Plus Urinal Screen** provides washrooms with an advanced urinal screen solution to help reduce splash back and other negative effects of untreated urinal areas for **up to 45 days**.

For a prolonged fragrance, the **EDGE Shield Plus** is the solution for facilities looking to provide fragrance with a punch.

The unique, multi-slatted design of the **EDGE Shield Plus** helps to reduce drain blockages by trapping debris or objects.

EDGE™ DOUBLE ACTIVE

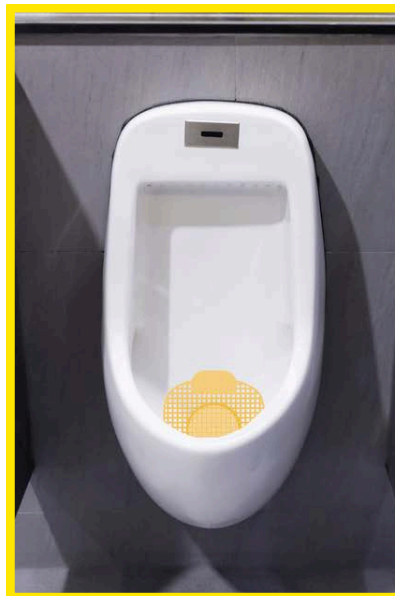

AN ACTIVE CORE & PREMIUM FRAGRANCE

The **EDGE Double Active Urinal Screen** is a premium urinal screen with a core of **active enzymes**. These help remove bad smells and help reduce limescale build up.

The **EDGE Double Active** also provides premium splash back protection and is designed with a powerful, premium fragrance to last for an extended period **up to 60 days**.

Prevents bacterial growth deep into the drains and eliminates the use of chlorine and chemicals.

Works in both a traditional and waterless urinal.
