

## Microfiber Line

Nordic Swan-certified\*, **tersano Microfiber Line** is a proven, powerful, planet-friendly microfiber cloth collection suitable for surfaces, glass, metal, and floor cleaning applications. Heavy-duty, superfine microfibers quickly pick up soils, spills, dirt, and dust.

- ▶ **Reusable** microfiber cloths help keep paper towel products out of landfills.
- ▶ Densely weft-knitted microfibers provide **less streaking** and **higher absorbency**.
- ▶ **Nordic Swan-certified\*** for quality, durability, and low environmental impact.
- ▶ Machine washable; lasts up to **600 washes** on their own, and up to **1,000 washes** when laundered using tersano iClean FLO<sub>3</sub> and Laundry PODS.
