The most powerful fabric cleaner available, **tersano Laundry PODS** deliver clean, bright, and fresh laundry at an outstanding value.

### CLEAN

Innovative stain-busting formula removes tough soils at the particulate level regardless of water temperature, water quality, or washer type.

### BRIGHT

Safe, proprietary non-chlorine bleach formula makes colours their brightest and whites their whitest.

### FRESH

Active oxidizers attack odours at the bacterial source leaving soft, clean-smelling laundry.

- Works in hot or cold water
- Delivers a fresh, clean scent
- Kills odour-causing bacteria
- Breaks down dirt at the fiber level

### SPECIALLY FORMULATED

Complements tersano's iClean<sup>®</sup> FLO<sub>3</sub> and its ozone solution technology.

**Best Paired with**  
**tersano's iClean<sup>®</sup> FLO<sub>3</sub>**  
converting municipal water into a powerful chemical-free cleaner sanitizer, and deodorizer on-demand for residential and commercial laundering.
