

PROscrub

**LIFTS
BUILD-UP**

Remove dirt, grime, grease build-up in minutes!

An ideal replacement for harsh and toxic chemical cleaners, PROscrub is tough on soap scum, grease build-up, and hard water deposits - yet safe for people.

Clean with Tersano's SAO® solution first and use PROscrub on the hard-to-clean spots.

No more toxic cream cleansers, acid-based cleaners

Cut through tough kitchen and restroom messes easily and more safely. Great for toilet bowl rings and stubborn stains without scratching surfaces.

Safe for use on:

- Porcelain
- Chrome
- Ceramic
- Carpets
- Stainless
- Laundry

Nonfood Compounds
Program Listed A1, A2, A4, A8
Registration #152936

NSF-approved safe for food contact surfaces.
SDS safety rating better than most deep cleaners and degreasers.

Before

After
