

# Hand washing

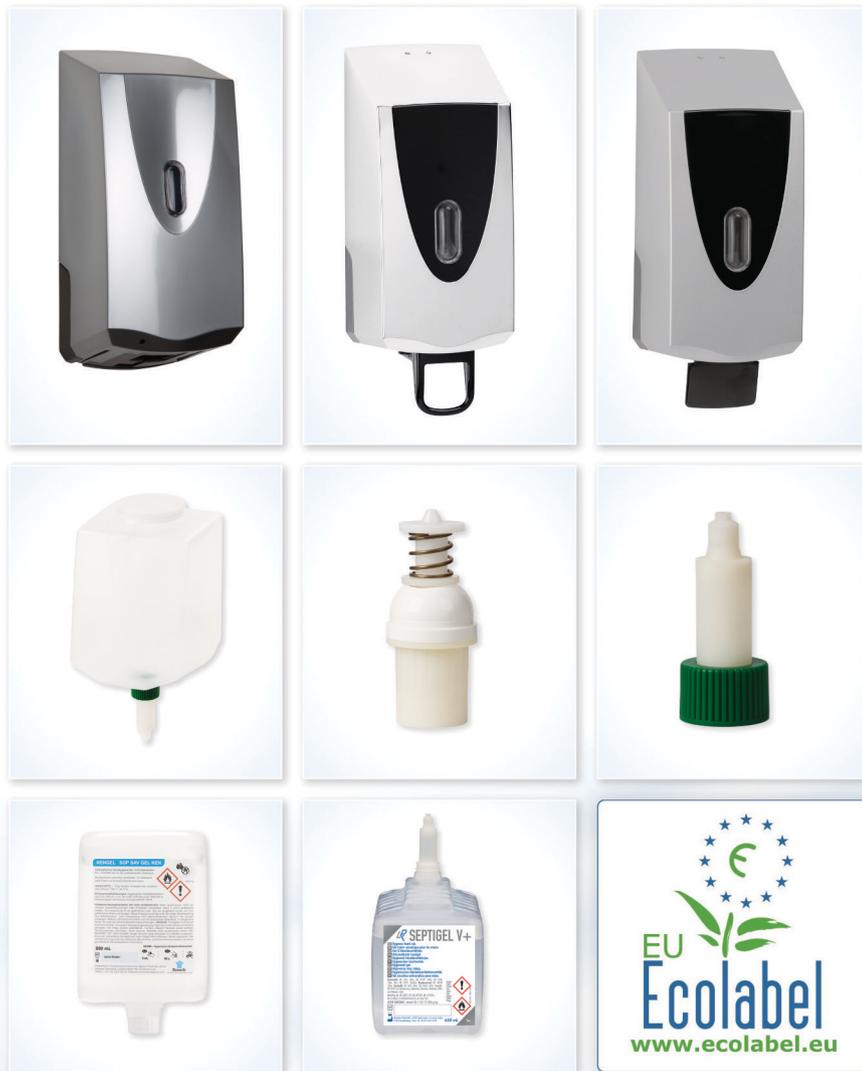

AND SANITISING SOLUTIONS

We offer an extensive range of dispensers in many sizes and finishes, suitable for all businesses: general use, hospitality and tourism, industrial areas, and hygiene critical environments.

**Kennedy**

INTEGRATED HYGIENE SOLUTIONS

**Kennedy's range of soap dispensers are the perfect choice for luxury washrooms.**

Modern and robust, they are complemented by high performance and environmentally friendly consumables. Designed with the service specialist in mind, the dispensers are prized for high quality, elegance, ease of service and ultimate hygiene.

Available in the Kennedy standard Arctic white colour, in recycled black and also in premium finishes: designer grey, chrome, satin, they are the perfect choice for luxury washrooms with their elegant design and superior functionality.
