

THE
OBSIDIAN
RANGE

MADE FROM RECYCLED PLASTIC 

Kennedy

INTEGRATED HYGIENE SOLUTIONS

THE OBSIDIAN RANGE

Each dispenser is made on average from **85% recycled ABS plastic** of total plastic used that is sourced in Europe

The products are made from recycled ABS production releasing **4 times less CO₂ emissions** than non-recycled

They are designed to **minimise waste** and consumption

Our stylish black dispensers are the perfect choice for luxury washrooms
