

Scrubber dryer

RA 435 IBC

The compact and intelligent machine design is aimed at the daily cleaning of retail stores, hotels, offices and workshops. The self-explanatory and ergonomic operation of the RA 435 IBC allows it to be integrated into the cleaning team in a versatile and efficient way.

Compact. Agile. Cleanfix.

RA435 IBC

The effective curved suction nozzle and easy water control ensure perfect cleaning results on all hard floors. You can also adjust the suction power in 3 positions to suit your needs. The powerful 750W brush motor and the ergonomic, easily adjustable handle are other plus points. With smart accessories such as the brush hook and transport wheel for easy moving and parking, you have everything you need.

Ergonomic, easy adjustable handle with suction nozzle lift-off

Digital display, 3 positions for suction power

Water regulation

Filling hole for fresh water tank
