

Roller brush scrubber dryer

RA 470 IBC

The compact and intelligent machine concept is designed for the daily cleaning of retail stores, hotels, offices and workshops. The self-explanatory and ergonomic operation of the RA470 IBC enables versatile and efficient use by the cleaning team.

Compact. Agile. Cleanfix.

RA470 IBC

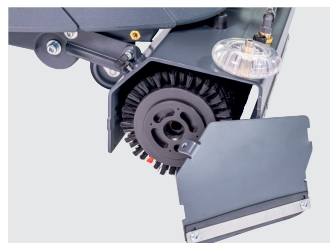

The roller brush enables cleaning close to the edges and the curved suction nozzle and simple water regulation ensure perfect cleaning results on all hard floors. Corners can also be cleaned easily with the optional water suction set. The suction power can be adjusted as required thanks to 3 suction levels. Further plus points are the powerful 750 W brush motor and the ergonomic, easily height-adjustable handle.

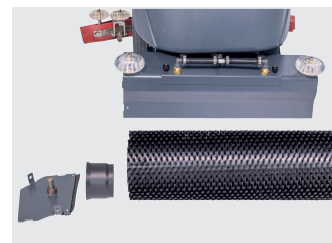

Ergonomic handle, adjustable with hand lever

Digital display, 3 positions for suction power

Roller brush Ø130/70 x 475 mm

Brosse rouleau easy to fit

Technical data

Power supply	24 V DC
Power brush motor	50 W
Power suction motor	450 W
Vacuum	50/130 mbar
Fresh water tank	36 Liter
Dirty water tank	40 Liter
Suction nozzle width	76 cm
Working width	47,5 cm
Working height	81,5 cm
Productivity rate theoretical	2180 m ² /h
Autonomie (normal)	4h
Brush pressure	11 kg
Brush speed	140 1/min
Weight	123 kg
Measurements (l/w/h)	108x54x88 cm
Noise level	69 up to 72 dBA

RA435 IBC

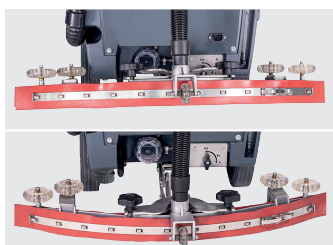

435.015 Integrated charger, without battery

Scope of delivery

432.559	Suction nozzle curved, standard
435.071	Roller brush standard, Ø130 x 475 mm
–	Main cable 230V / 2.50m

Special accessories

500.092	Set of gel batteries à 12V / 85 Ah C5 Eternity
681.000	Filling up hose for fresh water, 2m
	Rubber blades:
435.083	oil/grease resistant, curved
435.080LT	standard, curve
435.073	Roller brush 5K, Ø130 x 475 mm
435.410	Water suction set

Suction nozzle lift-off with foot control

Filling hole for fresh water tank, water regulation

Large dirty water tank with efficient motor protection thanks to float system

Water suction set with hose and telescopic tube (optional)
