PROD CODE: 342MP
SIZE: 1.06 US gallons (4 liters)
ORDER QTY: 4 per case

shine on.

Our high **performance**
deep scrub cleaner.

Recommended Surfaces:

Most coated floor surfaces.

Directions for use:

Mix Reboot™ Deep Scrub Cleaner with water according to the following dilution:

For deep scrub applications where the removal of 1 - 2 coats is desired:

1:64 2 US oz per gal water (16 ml per 1 liter water)

For deep scrub applications where the removal of 3 - 4 coats is desired:

1:32 4 US oz per gal water (31 ml per 1 liter water)

Use an automatic scrubber with green or blue deep scrub pads to achieve the desired results.

* Special packaging for specific requirements available upon request.
