wipepod®

Ensuring Hand and Surface Wipes are Always Readily Available...

- + Lightweight, robust and guaranteed for life
- + Removes and destroys pathogens from hands and surfaces
- + Safe, effective disinfection and cleaning
- + Low cost and far more practical than the paper towel and disinfectant spray bottle
- + Wash and dry your hands in seconds - typically 12/15 seconds
- + Wall mounted, static, desktop or trolley - limitless applications
- + Small and unobtrusive - large enough to get noticed
- + Wipes remain wet from the first to the last guaranteed
- + Dispenser can be branded for your company*
- + Provides visible reminder ensuring greater compliance
- + Keyless locking system
- + Highly competitive pricing
