Introducing the next generation "go anywhere" litter collection

The Handi Cart system.

Featuring the Handi Cart, Handi-Hoop *Plus* and your 'litter picker of choice'. Together you have the ultimate in time saving, strain reducing, multi-terrain litter clearance system.

The Handi Cart is light and compact but incredibly tough. Fully loaded, the Handi Cart can hold over 32Kgs.

The adjustable handle makes finding the load balance point a breeze so the Cart is always easy to manoeuvre through the tightest gaps.

The Handi Hoop *Plus* is the Professional's Bag Opener of Choice; improving productivity by 143% and providing flexibility with the multifunctional scoop/ sweep action.

Team the Handi Cart and Hoop *Plus* with any of the classic tool trio; Litterpicker, Streetmaster or Ranger and you have a system that can tackle almost any multi-surface litter clearance task with speed, efficiency and ease.

HANDI CART

A revolution in go
anywhere professional
litter collection.

Puncture proof wheels allow the cart to be easily steered over a wide variety of terrain. When the challenge gets really tough, the 'lift off' Handi-Hoops are quickly removable giving complete freedom and flexibility. The ergonomic handle is easily adjustable for height and left or right handed use.

Designed to be used in all terrains, the Handi Cart is low maintenance: it can be power washed to keep the unit clean and hygienic for every day use.

Essential tools can be stored in the Handi Hoop *Plus* during use and there is even a handy pouch for those all important personal belongings, spare bags or the safety essential: Safe Pick Pouch.
