# The LITTERPICKER

*The original and best*

**The Helping Hand company**

Bromyard Road, Ledbury  
Herefordshire HR8 1NS

Printed on recycled paper using vegetable inks

**The Helping Hand company**

#1 for litter clearance hand tools

# The **LITTERPICKER**

The Litterpicker range is unsurpassed for function, ergonomics and application. Tough, dependable and the World's Number 1 selling litter clearance hand tool. Whatever Litterpicker you choose, you know you've picked the best.

The Litterpicker range picks up items quickly and efficiently; bright, reflective features ensure you can be seen when roadside litterpicking; a comfortable handle helps you litterpick for longer. There are several lengths designed for different applications, helping you choose the right tool for you!

## Ideal for all litter picking duties

Our Litterpickers are tried and tested providing effective pick-up, every time. Suited to general litter picking duties, whatever the weather or environment.

The standard range starts at 45cm long for precise safe handling of items you just don't want to touch, whilst our longest standard Litterpicker is a lengthy 2.4m. Ideal for items normally well out of reach! There is even a funky child size Litterpicker – unleash the Graptor squad!
