

The **RANGER[®]**

for the toughest litter clearance jobs

The **Helping Hand**
company

#1 for litter clearance hand tools

The **RANGER**[®]

**Without compromise
– in the toughest environments –
it will last and last.**

Picks up all types of litter – wet paper, glass bottles, cigarette butts... the flexible jaws save you time, every time

Durable in all conditions – rugged and robust, it just keeps going, wherever you are.

Be safe, be seen – high visibility features add to your Personal Protective Equipment, increasing your safety by the roadside in poor light conditions.

...And there's more!

Reduce – expenditure and packaging, it's the cost effective solution to litterpicking.

Reuse – With the Ranger Recycle Kit, you can now replace jaw ends and increase product life by 300%!

Recycle – Send back your used jaw ends and we'll recycle them for you, reducing the impact on landfill!
