The **STREETMASTER**[®] for precision pick up

The **STREETMASTER**®

The ultimate in excellent pick-up on any surface, indoors and out!

The versatile Streetmaster grips the smallest of litter and is perfectly shaped for larger items such as bottles. The dual moving and rotating jaws allow for precise litterpicking even in awkward areas, and the reflective features increase your visibility in poor light or by the roadside.

Available in 4 lengths – standard, for the taller user, 6 foot for out of reach items, or as a Tidyjon for janitorial, recyclables sorting, or nursery age clean-ups.

Tidy Jon®	Code No. LP2000	45cm (18″)	Ideal size for cleaning urinals or sorting out recyclables
Streetmaster®	Code No. LP2020	82cm (32″)	The versatile litterpicker whatever the task
Streetmaster® Extra	Code No. LP2030	93cm (37″)	The versatile litterpicker, just longer for taller operatives
Streetmaster® XL 6'	Code No. LP2050	180cm (6′)	For that pesky litter just out of reach
