

Environmental Education

Hands-on learning: indoors and out

The **Helping Hand**
company

#1 for litter clearance hand tools

Environmental Education

**Personalise
your School Kits!**
Choose your own message,
as well as the type of kit
to suit your group size

Save time... not just the planet!

- Preparation and research: We've done the homework for you
- Integrate the environment into lessons, assemblies, school life
- Provide all that kids need for clean safe litter collection

It's your complete school program...

- Inspire young ones through hands-on learning
- Engage all the stakeholders from parents to the community
- Link in with existing school and local authority initiatives

...and it's easily sustainable

- Work towards Eco Schools & the Sustainable Schools framework
- Promote personalised sustainable campaigns, year on year
- Encourage pride in your local community
