SAFE PICK POUCH & KIT

Sharps collection made easy – whenever you need it!

From grot spots to occasional sharps – 'hands free' convenient pouch attaches to your belt, ready for any nasties encountered when out and about, or a sturdy kit stored in vehicle for more thorough grot spot clearances.

Easily replenished – no need to buy a new Pouch or Kit, all contents can be replaced. A long lasting solution to your Sharps equipment provision.

Tailored to your needs – choose with or without the Folding Litterpicker, and which Sharps Bin you need. Do please call us to discuss any individual requirements.

Safe Pick – the essential tool for safe removal, collection and disposal of sharps – anytime, anywhere.

Street cleansing or housing departments, landscapers or volunteers, these versatile kits ensure safe sharps collection everytime.
