

HERBAL FLOOR CLEANER - SHINE

SC 2110

Concentrated cleaning product that combines enzymatic biological properties with degreasing and self-shining properties that enable more effective cleaning and polishing for all types of surfaces quickly, easily, and efficiently.

APPLICATIONS

- Daily cleaning in facilities and public areas (hotels, schools, residences, administrative centers, shopping centres, metro stations, etc.).
- Suitable for all types of floors, patios, mosaics, tiles, ceramics, stoneware, etc.
- General use cleaner that meets sustainability requirements focused on Green Public Procurement.

HOW TO USE

Add the product to the mop bucket as needed (see dosage). Mop normally and let dry. No subsequent rinsing necessary.

DOSAGE

Spray the product in the water of the mop bucket:

- Normal amount of dirt: 1 spray (capacity for 1000 buckets)
- Persistent dirt: 2 sprays (capacity for 500 buckets)

Self-polishing and anti-slip

BENEFITS

- ✓ **FAST BIO system:** maximum performance and quickness using less product. Unique on the market
- ✓ **Concentrated product:** high performance and fast acting: saves product and time
- ✓ **Proven effectiveness:** European Eco-label product, quality assurance and environmental improvement
- ✓ **Biological action:** its enzymes increase the effectiveness of the detergent
- ✓ **Multi-action:** cleaner, polisher (with polishing and anti-slip waxes) and air freshener
- ✓ **Safe to use:** compatible with all types of floors
- ✓ **Environmental improvement:** eco-designed and due to its biological action, it preliminarily breaks down organic matter
