

HERBAL FLOOR CLEANER - SHINE

DD 485

Concentrated cleaning product that combines enzymatic biological properties with degreasing and self-shining properties that enable more effective cleaning and polishing for all types of surfaces quickly, easily, and efficiently. With European Eco-label.

APPLICATIONS

- Daily cleaning in facilities and public areas (hotels, schools, residences, administrative centers, shopping centers, metro stations, etc.)
- Suitable for all types of floors, patios, mosaics, tiles, ceramics, stoneware, etc.
- General use cleaner that meets sustainability requirements focused on Green Public Procurement.

HOW TO USE

Add the product to the mop bucket as needed (see dosage) using manual (MQ19) or automatic (MQ31; MQ48) dosing systems. Mop normally and let dry. No subsequent rinsing necessary.

DOSAGE

Dosage shall depend on the existing dirt:

- Normal amount of dirt: 0.4% (MQ19: One 20 ml cannula per 5 liter bucket)
- Stubborn stains: 0.8 % (MQ19: Two 20 ml cannulas per 5 liter bucket)

Self-shining and non-slip

BENEFITS

- ✓ **Concentrated product:** high performance and fast acting: saves product and time
- ✓ **Proven effectiveness:** European Eco-label product, quality assurance and environmental improvement
- ✓ **Biological action:** its enzymes increase its effectiveness as a detergent
- ✓ **Multi-action:** cleaner and polisher (includes polishing and non-slip waxes) with an air freshening effect
- ✓ **Safe to use:** compatible with all types of flooring
- ✓ **Environmental improvement:** eco-design product, due to its biological action, it preliminarily breaks down organic matter
- ✓ **Other benefits:** general use cleaner that meets sustainability requirements focused on Green Public Procurement
