

96HEX Scotch-Brite™
Dual Purpose
Scour Pad 96HEX

2 pads in 1.
Powerful cleaning!

New Scotch-Brite™ Dual Purpose Scour Pad 96HEX features a yellow, raised power dot side that has been engineered to clean tough baked-on food. The green side scours away fine particles and grease, leaving a clean shiny surface.

Looks different. Cleans different

Tough & durable

- **Power dot** surface pattern engineered to quickly and effectively cut through stubborn baked-on and burnt-on food
- A long-lasting, dual-purpose scouring pad – the yellow side with raised dots retains its full scouring power through repeated uses

Rinses & cleans easily

- Yellow side engineered to prevent large food particles from getting trapped on the pad and reducing scouring power
- Green side scours away fine food particles, leaving the surface clean and shiny

Cleans hard-to-reach spaces

- Hexagon design makes it easy to get in hard-to-reach areas of pots and pans
- Ergonomic hexagon shape fits comfortably in hand, maximizing productivity and minimizing operator fatigue

**Imagine the
time you'll save!**

Ideal for cleaning heavily encrusted pots and pans

96HEX

Scotch-Brite™
Dual Purpose
Scour Pad 96HEX

What makes this scour pad different?

The 'Power Dots'

- Raised abrasive dots provide improved scouring power to easily clean stubborn baked-on food
- Does not trap food and rinses clean easily
- Power dots help retain full scouring power for longer

Hexagon shape

- Designed to fit comfortably in hand
- More corners to get into hard-to-reach areas of pots and pans
- Right size for the job – no cutting down to size required

Dual-sided

- **ONE PAD. TWO TASKS.** Allows user to perform two scouring jobs with a single hand pad
- Power dot pattern engineered to scour away tough, baked-on food more easily and efficiently
- Green side scours away fine food particles and grease, leaving a clean and shiny finish
