

VIVA AND eVIVA
AND YOUR WASHROOM IS BLOOMING

IT DOESN'T GET ANY EASIER! ALL YOUR WASHROOM NEEDS FROM ONE SOURCE

Count on one hygiene system for your entire company! With VIVA by HERWE and KATRIN, you will get the same proven quality and performance that you are used to from our industrial line, now also for your washroom.

The functional, yet elegant design, will satisfy the highest standards. The VIVA Easy-to-Use System allows for intuitive operation, easy dispenser filling and effortless dispensing. No instructions required! Annoying adjustments to the dispenser are a thing of the past. VIVA is ready for use as the refill cartridge controls everything. The dispenser can even be removed from the wall without tools, e. g. for cleaning! Your cleaning crew will appreciate this!
