## Company profile

### Made in Germany

Since 1875, FLORA has specialised in the development and manufacture of high-quality and durable garden tools and equipment. Even in the early years, the values which FLORA still lives by were established: quality, technology and know-how. Our customers can rely on us – we are ready and waiting. Worldwide. From the heart.

### Quality since 1875

A skilled team, our ability to innovate, and the use of the most up-to-date technologies – these are our guarantee for top-quality products. We are responsible for the entire process chain, from development to manufacture and assembly right up to despatch.

## Urbano – Electric mobility for external cleaning, landscape management and transportation

Urbano is a transport system unit for vehicles which support the process of landscape maintenance and outdoor cleaning – and it doesn't matter which movement platform an Urbano transport system unit is fitted on. We work very closely with various manufacturers and provide coordinated solutions for the relevant vehicle types. These solutions range from cargo bikes to street-legal electrical commercial vehicles with an enclosed driver's cab. On request we can even upgrade existing vehicle fleets by fitting transport system units.

### Urbano P1,P2,P3

It's all there! When tools need to be close at hand, when several tools need to be stowed safely, and when you need space for all the equipment – the Urbano Professional Line is the right choice. Flexibility and functionality are the priority. Three boxes of different sizes are available, P1, P2 and P3.

## Urbano V1

The Urbano V1 structure has a stable profile frame and is completely closed. A laterally lockable roller blind guarantees that everything can be reached safely and quickly. In there is a height adjustable floor. The base of the body is made of robust aluminum profile sheet.

## Urbano B1

So much volume! The core of the Urbano series is the Basic Line with box B1. Its design is simple, but allows plenty of flexibility. The profile system and the comprehensive range of accessories ensure that there is plenty of scope for adaptation to individual need.

## Urbano C1

Out and about with the bike? When it is fitted with the C1 unit, the Cargo Bike Line is ideal for use with load-transporting bicycles. The rear wall can be folded, and there is a spacious box with a lid which can easily be accessed from the side. Easy to use: equipment holders, lashing eyes – everything in the right place.

## Urbano construction system – Cooperation of electromobile solutions for exterior cleaning, landscape maintenance and transport

Communal and private service providers are faced with new challenges. Climate protection, work efficiency or materials separation – these are the slogans of our time. FLORA's new Urbano represents the start of a new era and embodies environmental protection, performance and comfort

coupled with the requirements of contemporary outdoor cleaning and maintenance of grassed areas. FLORA Urbano is a transport system unit for transporting work tools and materials on carrier vehicles using alternative drive systems, for example small electric-powered transporters or cargo

bicycles. In addition to stand-alone vehicles, the concept includes trailers. There are three main sectors: Outdoor cleaning, and landscape and cemetery maintenance. Every tool and every material plays its part – hand tools, power tools, working materials, plants or topsoil, and also material

which needs collecting, such as waste or green cuttings. Everything is stored safely on the FLORA Urbano, is quickly available for use, and the capacity is excellent.

The brand-new G2 series from Goupil is a perfect working platform which provides a very wide range of options. With the addition of a unit from the Urbano Professional Line, the result is a functional solution for efficient work processes in municipalities, in cemeteries or in landscape maintenance.

It is the sheer performance of M Products agile Virto2C which is so impressive. Fitted with an Urbano transport system unit, it offers ideal solutions for all outdoor cleaning sectors in which the manoeuvrability and flexibility of the Virto2C are needed, including large building complexes, cemeteries, parks and other structured urban areas.

Is there a lot that needs to be moved? The Jack L from Zallys is the perfect solution when large volumes are involved. With its powerful grooved tyres, a large easily accessible loading platform and one or more trailers for transporting material, the Jack L offers so many options! Power tools, any material which needs collecting, or tools for an entire group of workers – the Urbano transport system unit has space for everything!

A cargo bike for pure dynamism! The Draisin cargo bike is at home wherever equipment and work equipment has to be used quickly. As a pedelec, it supports the driver with a powerful electric motor, so that inclines and journeys under load can also be easily mastered. A completely closed storage space offers enough space for the transport of goods of all kinds. A laterally lockable roller blind guarantees that everything can be reached safely and quickly.

## Trolleys for outdoor cleaning

### Easy – the light ones

The Easy cleaning trolleys are more than just light and very manoeuvrable. They have a carrying capacity of up to two trash bins, so sorting takes place during collection. This makes Easy the perfect assistants for the cleaning of car parks, industrial and outdoor facilities and public buildings.

### Accurato – the flexible ones

For everybody who is looking for a flexible, all-round product for daily use in street cleaning operations and in green spaces such as public parks, Accurato is what they need. Numerous functions are included, and up to four different handle tools can be carried.

### Carrier – the special ones

The Carrier trolleys are ideal for special situations and requirements. They provide the optimal solution for landscaping work, for transporting large quantities of green waste and for other uses. Tool holders are provided to carry handle tools.

## Trolleys for outdoor cleaning

Easy Uno

Easy Duo

Easy Original

Easy Arena

## Carrier – the special ones

The Carrier Original (right) carries a 120 l rubbish container and has all the advantages of the Accurato series. These include the practical rollers as a loading aid, plus holders for four handle tools and a Greifboy.

The Carrier Vولو increases the volume of a wheelbarrow by almost three times. A handle tool holder is available as an option.

The Carrier Pick Up is a lightweight frame which can carry a 240 l refuse bin ergonomically. It holds two handle tools and a Greifboy.

## Carrier – the special ones

## Litter pickers and accessories

For 30 years, Greifboys have been among the most successful litter pickers internationally – “Made in Germany”, of course. With a large number of different types, Greifboys are ideal for use in all sectors of rubbish collection. Based on a maintenance-free, internal mechanical system, they provide maximum durability, functionality and ergonomics. Landscaping specialists, municipalities and cleaning businesses prefer these Greifboys for garbage disposal work, because they pick up a discarded bus ticket just as easily as a large champagne bottle.

Greifboys professional series

## Greifboy 40

Grabber for picking up refuse and rubbish outdoors, with opened tips for scraping off stuck-on residues.

**Greifboy 40 with steel handle** Anodised aluminium tube with integrated mechanism, galvanised head, hardened plastic-coated grabbers, PU 10

## Metal leaf rakes

The wide leaf rake has a spring-loaded tine rail – especially suitable for sensitive surfaces.

A straightforward galvanised steel stand underlines FLORA's professionalism.

Made in Germany 

High-strength spring steel adjustment rail

Broad, sturdy bow

Precise connection to the adjustment rail directly on the bow

Four reinforced outer tines

## Metal leaf rakes

**Professional leaf rake with closed socket (adjustable)** Robust, durable leaf rake for daily and professional use, adjustable working width. Closed socket, 22 flat tines, four reinforced outer tines, galvanised, high-strength spring steel adjustment rail, reinforced bow, PU 10

Number	Width (cm)	Tines	EAN 4007105
02779	32 – 48	22	...377903

**Professional leaf rake with U-bolt socket (adjustable)** Robust, durable leaf rake for daily and professional use, adjustable working width. Closed U-bolt socket, 22 flat tines, four reinforced outer tines, galvanised, high-strength spring steel adjustment rail, reinforced bow, PU 10

Number	Width (cm)	Tines	EAN 4007105
02789	32 – 48	22	...387902

**Professional leaf rake (fixed)** Robust, durable leaf rake for daily and professional use. 22 flat tines, four reinforced outer tines, galvanised, reinforced bow, PU 10

Number	Width (cm)	Tines	EAN 4007105
02777	45	22	...177701

**Wire rake** Robust, durable leaf rake with hard tines for efficient sweeping and light scarifying work. 22 round tines, reinforced bow, powder-coated, PU 10

Number	Width (cm)	Tines	EAN 4007105
02785	45	22	...178500

**Leaf rake** For routine applications, including home use. 22 flat tines, powder-coated, PU 10

Number	Width (cm)	Tines	EAN 4007105
02776	45	22	...007763

**Wide leaf rake** Light, thorough leaf rake for sensitive surfaces, even minimal unevenness. Aluminium carrier, stainless steel rake contour, 590 g, PU 10

Number	Width (cm)	Tines	EAN 4007105
02703	56	28	...189506

**Small leaf rake** Narrow leaf rake for flower beds, garden beds and hedges. Galvanised steel, PU 10

Number	Width (cm)	Tines	EAN 4007105
02701	29	11	...020014

## Plastic leaf rakes

The display stand for landscape brooms provides special support for end-of-season sales.

The landscape broom with its special double sturdy curvature is manufactured in Germany.

### Overview of the sizes

## Plastic leaf rakes, handles and display stands for leaf rakes

**Landscaping rake** Extra large, light leaf rake for dealing with large areas efficiently. Ideal for raking leaves and hedge cuttings. Tough plastic, PU 10

Number	Width (cm)	Tines	EAN 4007105
02780	75	30	...107807

**Combination tool leaf rake and fork** High-quality and stable combination-tool for raking and scooping of leaves and grass cuttings. Polyamide, socket ø 28 mm, PU 10

Number	Width (cm)	Tines	EAN 4007105
02790	60	26	...027907

**Garden rake, polyethylene** Light, easy-to-handle universal rake, ideal for virgin lawns or gravel surfaces. Polyethylene, threaded socket ø 24 mm, PU 10

Number	Width (cm)	Tines	Handle	EAN 4007105
02770	44	26	without	...117707
02771	44	26	aluminium	...117714

**Garden rake, polyamide** Light-weight, sturdy all-purpose broom for leaves and grass cuttings. Polyamide, socket ø 28 mm, PU 10

Number	Width (cm)	Tines	EAN 4007105
02783	38	20	...004410

**Leaf scoop** Large, flexible leaf scoop for collecting leaves and grass from lawn areas. Polypropylene, PU 5

Number	Meas. W x D (cm)	EAN 4007105
02791	70 x 60	...004434

**Tool handle** Handles for leaf rakes and leaf scoop. Numerous versions, ø 28 mm, PU 10

Number	Length (cm)	Material	Form	EAN 4007105
02933	140	aspen	straight	...005486
02900/140	140	ash	shaped	...115482
02900/160	160	ash	shaped	...115680

**Display stands** Stable and attractive display stands for landscaping rakes and leaf scoops. Galvanised steel, for 10 tools, loose handles, PU 1

Number	Equipment	Handle	Wood handle	EAN 4007105
08325/01	02779	02900/140	ash	...005882
08325/06	02780	02900/140	ash	...005936

08325/11	02791	02933	aspen	...004748

## Rakes

All aluminium rakes have an adjustable head angle.

Strong struts stabilise the wide aluminium rake and the pull-off profile.

**NOVELTY**  
Available  
from spring  
2022

Made in Germany

Continuously hardened head

Adjustable angle

Screwed connection

## Steel rakes

**Professional smoothing rake (hardened, adjustable)** Robust all-purpose rake with patented adjustability of the head angle for professional use. Insert socket, hardened, galvanised steel, head thickness 4 mm, PU 10

Number	Tines	Width (cm)	EAN 4007105
02201/14	14	36	...022018
02201/16	16	42	...022032

**Professional light metal rake (hardened, adjustable)** Robust straight rake with patented adjustability of the head angle for professional use. Insert socket, hardened, galvanised steel, head thickness 4 mm, PU 10

Number	Tines	Width (cm)	EAN 4007105
02202/14	14	36	...022025
02202/16	16	42	...022049

**Garden rake** Robust, all-purpose rake for professional use. Insert socket, powder-coated PU 10

Number	Tines	Width (cm)	EAN 4007105
02289/8	8	20	...128918
02289/10	10	26	...128925

02289/14	14	36	...128949
02289/16	16	42	...128956

**Bow rake** Robust bow rake for everyday use, bow protects tender plants during use in dense growth areas. Insert socket, powder-coated, PU 10

Number	Tines	Width (cm)	EAN 4007105
02291/14	14	36	...129113
02291/16	16	42	...129120

**Lawn rake** Rake for picking up particles of cut grass from the lawn. Insert socket, powder-coated, PU 10

Number	Width (cm)	Tines	EAN 4007105
02290/60	60	32	...129014
02290/70	70	40	...129021
02290/100	100	56	...129038

**Meadow rake** Rake for picking up hay and cut grass on meadows. Insert socket, galvanised, PU 10

Number	Width (cm)	Tines	EAN 4007105
02292/75	75	22	...129212
02292/100	100	28	...129229

**Furrow maker (adjustable)** Furrow maker with adjustable head angle for creating uniform seed planting furrows, variably adjustable distance between furrows. Galvanised steel, PU 5

Number	Width (cm)	Furrow	Furrow length (cm)	EAN 4007105
02238/75	75	6	12	...373806
02238/120	120	10	12	...373813

## Aluminium rakes

**Aluminium rake (adjustable)** Aluminium rake with adjustable head angle for all fine and light smoothing or sowing work, rear edge usable for smoothing. Aluminium, galvanised insert socket, PU 5

Number	Width (cm)	Tines	EAN 4007105
02218/75	75	28	...001143

**Aluminium rakes (adjustable)** Aluminium rake with adjustable head angle for all smoothing or sowing work, rear edge usable for smoothing. Aluminium, galvanised insert socket, PU 1

Number	Width (cm)	Tines	EAN 4007105
02218/100	100	36	...001129
02218/115	115	42	...001136

**Light metal rake (adjustable)** Light smoothing rake with adjustable head angle for all standard smoothing and garden work. Aluminium, galvanised insert socket, tines length 10 cm, PU 10

Number	Width (cm)	Tines	EAN 4007105
02297	62	16	...129700

**Raking profile (adjustable)** Raking profile with adjustable head angle for raking sandy and similar surfaces. Aluminium, galvanised insert socket, PU 5

Number	Width (cm)	EAN 4007105
02220/75	75	...001204

**Raking profile (adjustable)** Raking profile with adjustable head angle and sturdy crossbars for raking sandy and similar surfaces. Aluminium, galvanised insert socket, PU 1

Number	Width (cm)	EAN 4007105
02220/100	100	...001181
02220/115	115	...001198

**Tool handle** Handle for rakes. Numerous versions, ø 28 mm, PU 10

Number	Length (cm)	Material	Form	EAN 4007105
02933	140	aspen	straight	...005486

## Aluminium rakes

**Light metal rake (adjustable)** Lightweight, robust leveling rake with adjustable head angle for all common leveling and gardening work. The back can be used as a brushed edge Aluminum, galvanized handle sleeve, PU 10

Number	Width (cm)	Number of tines	Tine length (mm)	Tine spacing (mm)	Prong shape
02221/63	63	16	93	30	straight
02221/77	77	20	93	30	straight

**Light metal rake (adjustable)** Lightweight, robust leveling rake with adjustable head angle for all common leveling and gardening work. The back can be used as a brushed edge. Aluminum, galvanized handle sleeve, PU 10

Number	Width (cm)	Number of tines	Tine length (mm)	Tine spacing (mm)	Prong shape
02222/63	63	16	118	30	straight

**Professional lawn rake (adjustable)** Light, robust lawn rake with patented adjustability of the head angle for picking up grass clippings on lawns. Grass catcher, aluminum, galvanized handle socket, PU 10

Number	Width (cm)	Number of tines	Tine length (mm)	Tine spacing (mm)	Prong shape
02223/63	63	24	118	17	bent
02223/77	77	30	118	17	bent

**Professional meadow rake (adjustable)** Stable rake with patented adjustability of the head angle for picking up hay and grass clippings. Grass catcher, aluminum, galvanized handle socket, PU 10

Number	Width (cm)	Number of tines	Tine length (mm)	Tine spacing (mm)	Prong shape
02224/77	77	20	118	30	bent

## Light hoes, scuffle hoes and scrapers

FLORA's professional scuffles have a hardened blade which is screwed to the sturdy shaft. The blade can be removed and replaced.

The knife scuttle has a flexible spring steel blade, so it is very good for use on slightly uneven surfaces.

The kerb cleaner is a special device for communal cleaning. It helps to clean drains, so it prevents dangerous flooding.

Made in Germany

Sturdy shaft

Screwed joint

Hardened, replaceable blade

## Light hoes, scuffle hoes and scrapers

**Professional beet hoe** For loosening cultivated plants. Galvanised, hardened, exchangeable blade, blade sharpened on one side, PU 10

02104/2500	2.5	without	...132403
02105/2500	2.5	ash	...132502
02104/3500	3.5	without	...132601
02105/3500	3.5	ash	...132700

**Replacement handle for Pick axe, PU 1**

Number	Length (cm)	Material	EAN 4007105
02902	95	ash	...005387

### Key

<sup>1</sup> The weight stated for the heavy hoes is without a handle.

## Cultivators

**Cultivators** Extremely sturdy tool for loosening soil and removing weeds, straight tines for working manure and fertilizers into the soil. Forged, welded-on socket, galvanised, PU 10

Number	Tines	Width (cm)	Length (cm)	EAN 4007105
02304/3	3	10	14	...180305
02304/4	4	13	12	...180404

**Grubber** Small cultivator for loosening soil and removing weeds, for working in dense growth areas. Powder-coated, PU 10

Number	Tines	Width (cm)	EAN 4007105
02301	3	9	...174502

**Cultivator** Cultivator for uniform pulling work. Powder-coated, variable tines shape, PU 10

Number	Tines	Tines form	Tines width (mm)	Working width (cm)	EAN 4007105
02303/3	3	lance	16	11	...176001
02302	3	furrow	35	17	...176308

**Aerator** Ideal for targeted loosening of soil in shrubbery and vegetables beds, for pulling on individual furrow lines. Powder-coated, PU 10

Number	Tines	Tines form	Tines width (mm)	EAN 4007105
02308	3	furrow	35	...174106

**Weeding hoe** Three tines to loosen the soil and for weeding, blade for cutting up soil and roots. Powder-coated, straight blade, three tines, PU 10

Number	EAN 4007105
02306	...152302

**Tool handle** Handle for tools with socket. Numerous versions, ø 28 mm, PU 10

Number	Length (cm)	Material	Form	EAN 4007105
02933	140	aspen	straight	...005486
02900/140	140	ash	shaped	...115482
02900/160	160	ash	shaped	...115680

## Small tools

**Plant trowel** Robust, multi-purpose tool. Cut steel blade, swan's neck, beech handle, PU 10

Number	Width (cm)	EAN 4007105
03005/5	5	...030051

**Hand spade** Robust, multi-purpose tool. Cut steel blade, swan's neck, beech handle, PU 10

Number	Width (cm)	EAN 4007105
03005/7	7	...034226

**Dibble** For fast digging of planting holes for seedlings. Wooden handle, steel tip, PU 10

Number	Handle	Length (cm)	EAN 4007105
03000	button	28	...330007
03001	crook	28	...330106

**Asparagus knife** Forged steel, partially ground, hardwood handle, PU 10

Number	Length (cm)	Width (cm)	EAN 4007105
03012	44	2.5	...030129

**Shoe scraper** Tough design with shaped metal fittings and wide bridge for bricking or hammering in, powder-coated, black, PU 1

Number	Width (cm)	EAN 4007105
06902	15	...003741

## Small tools

**Leaf rake** Small tool for use in flowerbeds. Flat spring steel tines, powder-coated, PU 10

Number	Width (cm)	Tines	EAN 4007105
03020	16	7	...033205

**Multi-purpose weeder** Hand-held tool for weeding and cleaning joints. Powder-coated, PU 10

Number	Length (cm)	EAN 4007105
03021	23	...033212

**Small double hoe** Hoe for loosening soil and weeding. 3 tines, sharpened blade, powder-coated, PU 10

Number	Width (cm)	Tines	EAN 4007105
03022	7	3	...033229

**Hand grubber** Cultivator for loosening soil. Powder-coated, PU 10

Number	Width (cm)	Tines	EAN 4007105
03023	7	3	...033236

**Flower trowel** Sturdy, one-piece tool for working with plants. Steel handle, powder-coated, PU 10

Number	Width (cm)	EAN 4007105
03024	8	...033243

**Display stands small tools** Attractive display stands for the sales counter. Galvanised steel, 5 x 5 small hand tools 03020, 03021, 03022, 03023, 03024, PU 1

Number	EAN 4007105
08325/15	...004762

## Landscaping

**Rammer** For solidifying work, damper compensates for lateral impacts. Steel, rubber damper, straight handle, PU 1

Number	Area W x D (cm)	Weight (kg)	Height (cm)	EAN 4007105
04626/20	20 x 20	9.4	115	

**Rammer** For solidifying work, damper compensates for lateral impacts. Steel, rubber damper, T-handle, PU 1

Number	Area W x D (cm)	Weight (kg)	Height (cm)	EAN 4007105
04627	20 x 20	9.0	85	...172706

**Lifting tongs** For lifting kerbstones, natural rock, concrete elements, pipes, etc. Steel, exchangeable rubber grip surfaces, PU 1

Number	Diameter range (cm)	Immersion depth (cm)	Max. permit- ted load (kg)	Weight (kg)	EAN 4007105
04630	0 - 37	20	80	4.9	...267303

**American shovel** Original shovel (Ames Union Tools) for using with plants and in soil. Carbon steel, 10-year warranty on the blade, tread shaped to the front, swan's neck, long handle guide, PU 6

Number	Meas. blade L x W (mm)	Handle	Ames brand	Deployment	EAN 4007105
02400	270 x 210	ash	Union Tools	standard	...004915
02402	270 x 210	fibre glass	True Temper	standard	...004892

**Shovel American-type, serrated edge** Universal shovel with serrated edge for easy penetration into rooty soil, 10-year warranty on the blade. Hardened blade, tread formed to the rear, long handle guide, ash shaft, PU 6

Number	Meas. blade L x W (mm)	Handle	EAN 4007105
02415	300 x 220	ash	...024159

**IDEAL-Spade, gardening spade** Classical, high-performance spade for heavy duty work. One piece, conically rolled, self-sharpening, hardened blade, double clamp socket, double-riveted step brackets, double curved ash T-handle, PU 1

Number	Meas. blade L x W (mm)	Length handle (cm)	EAN 4005827
02425	285 x 185	85	...100328

**IDEAL-Spade, gardening spade** Solid universal spade. Hardened blade, double clamp socket, riveted, step brackets, ash T-handle, PU 1

Number	Meas. blade L x W (mm)	Length handle (cm)	EAN 4005827
02426	280 x 190	85	...291248

## Landscaping

**Soil drill** Robust tool for drilling holes for posts etc. in earthy, clayey or sandy soil. Steel, powder-coated, large sturdy tip, PU 1

Number	Diameter (mm)	Height (cm)	EAN 4007105
04731/70	70	105	...002591
04731/90	90	105	...002607
04731/150	150	105	...173307

**Post hole digger** Robust tool for drilling holes for poles and masts of different diameters. High-strength steel blades, ground, powder-coated, PU 1

Number	Range (cm)	Height (cm)	EAN 4007105
04734/200	ø 150 - 200	150	...173406
04734/260	ø 190 - 260	225	...173505

**Lawn roller** For smoothing lawns, playing fields or sports surfaces, fill with water or sand. Tubular frame, powder-coated, metal screw plug, PU 1

Number	Meas. roller (cm)	Volume (l)	Weight (kg)	Handle height axle cen.(cm)	EAN 4007105
04858/60	50 x ø 40	60	17.0	104	...425802
04858/75	60 x ø 40	75	19.3	114	...001044

**Light lawn roller** Ideal for flattening smaller areas and compressing seeded areas. Steel tube frame, powder-coated, rubber plug, PU 1

Number	Meas. roller (cm)	Volume (l)	Weight (kg)	Handle height axle cen.(cm)	EAN 4007105
04857	45 x ø 30	30	8.0	84	...425703

**Turf edger** For separating overhanging grass accumulations on grass edges. Forged, honed blade, steel tube, powder-coated, T-handle, PU 1

Number	Width (cm)	EAN 4007105
04801	30	...003123

**Spiked lawn roller** For loosening smoothed areas during preparation for sowing seeds and for surface aeration of damp lawn surfaces. Tubular frame, powder-coated, PU 1

Number	Roller	Meas. W x D x H (cm)	Handle height (cm)	Weight (kg)	EAN 4007105
04800/1	1	56 x 17	133	8.5	...001051
04800/2	2	56 x 44	137	17.5	...001068

## Firewood handling

An attractive sales stand can be used both as a permanent placement and for a seasonal campaign.

Stacking aid and firewood shelf are flat-pack pieces which are easy to ship.

Sturdy construction of firewood shelf and stacking aid with reinforcement brackets in the foot section.

## Firewood handling and fire protection

**Firewood rack** Rack in three sizes for outdoor storing of wood billets, with roof, for self-assembling, PU 1

Number	Meas. W x D x H (cm)	Weight (kg)	Volume (m³)	EAN 4007105
07519/100/02	100 x 44 x 145	12.9	0.45	...005509
07519/75/02	75 x 44 x 170	11.8	0.37	...005516

**Firewood rack, double** Rack in three sizes for outdoor storing of wood billets, with roof, for self-assembling, PU 1

Number	Meas. W x D x H (cm)	Weight (kg)	Volume (m³)	EAN 4007105
07520/100/02	100 x 80 x 200	27.3	1.2	...005523

**Stacking aid** Support for storing firewood in the garage or in the basement, for self-assembling, PU 1

Number	Meas. W x D x H (cm)	Weight (kg)	Volume (m³)	EAN 4007105
07521/120/02	120 x 44 x 120	7.1	0.45	...005530
07521/170/02	170 x 44 x 120	7.9	0.65	...005547

**Sawbuck** Sawbuck for private firewood handling, foldable, for self-assembling, PU 1

Number	Meas. W x D x H (cm)	Weight (kg)	Volume (m³)	EAN 4007105
07522/02	84 x 68 x 87	8.5		...005554

**Firewood trolley** Trolley to transport firewood and to store it in the living area, for self-assembling, PU 1

Number	Meas. W x D x H (cm)	Weight (kg)	Volume (m³)	EAN 4007105
07523/17	46 x 37 x 105	13.7	0.13	...005561

**Firewood carrier** Carrier for transport and for storing firewood in the living area, mounted, PU 1

Number	Meas. W x D x H (cm)	Weight (kg)	Volume (m³)	EAN 4007105
07524/17	36 x 69 x 27	3.2	0.06	...005578

**Fire patch** Forest fire patch to extinguish embers and small fires. Galvanized steel, spring steel sheets, PU 10

Number	Meas. W x D (mm)	Version	Material	Weight (kg)	EAN 4007105
0F70	509 x 508	closed socket		1.26	..310702
0F80	509 x 508	quick release		1.27	..310801
0F95	2000 x ø 30	handle	pine		..000955

## Snow shovels

**Poly snow shovel** Light plastic snow shovel with galvanised steel edge for pushing and shovelling medium accumulations of snow. Blade polypropylene, wooden handle D-grip, PU 10

Number	Meas. W x D (mm)	EAN 4007105
02468	500 x 355	...004687

**Snow shovel aluminium** Light snow shovel with galvanised steel edge for shovelling medium quantities of snow. Aluminium, steel socket, without handle, PU 10

Minimumally processed, without handle, PU 10				
Number	Meas. W x D (mm)	EAN 4007105		
02462	500 x 340	...003901		
Handle, wood	Length (cm)	Strength (mm)	PU	EAN 4007105
02904	130	ø 30	10	...008500

**Aluminium snow shovel** Sturdy snow shovel with aluminium edge for pushing and shovelling medium quantities of snow. Aluminium, for shovel handle ø 41 mm, without handle, PU 10

Number	Meas. W x D (mm)	EAN 4007105
02465	520 x 390	...003925

**Aluminium scoop (Hallenser shape)** Multi-purpose scoop with galvanised edge for scooping snow, dirt and refuse. Aluminium, with shoulder, galvanised steel edge, riveted socket, long hole for handle attachment, PU 10

Number	Size	Meas. W x D (mm)	EAN 4007105
02485/7	7	320 x 340	...024913
02485/9	9	370 x 380	...006209

**Straight snow shovel** Sturdy, flat snow shovel for use on dense compacted snow. Galvanised, without handle, PU 10

Number	Meas. B x T (mm)	EAN 4007105		
02455/40	400 x 140	...001501		
02455/50	500 x 180	...001709		
Handle, wood	Length (cm)	Strength (mm)	PU	EAN 4007105
02904	130	ø 30	10	...008500

**Ice scraper** Robust tool for loosening ice and compacted dirt. Powder-coated, for handle ø 28 mm, without handle, PU 5

Tool handle				
Number	Width (mm)	Weight (g)	EAN 4007105	
02456	150	680	...009507	
Tool handle	Length (cm)	Material	Form	EAN 4007105
02900/140	140	ash	shaped	...115482
02900/160	160	ash	shaped	...115680

## Snow shovels

**Shovel handles** Suitable for alu-shovels. Angled, PU 10

Number	Length (cm)	Material	EAN 4007105
02915/130	130	Ash	...008807

**Display stands** Stable and attractive display stands with 10 snow shovels, including handles, not assembled. Galvanised steel display, PU 1

Number	Equipment	EAN 4007105
08325/07	02468	...005943

**Display stands** Stable and attractive display stands with 10 snow shovels, including handles, not assembled. Galvanised steel display, PU 1

Number	Equipment	Handle	EAN 4007105
08325/08	02462	02904	...005950

**Display stands** Stable and attractive display stands with 10 snow shovels, including handles, not assembled. Galvanised steel display, PU 1

Number	Equipment	Handle	EAN 4007105

Retail support

POS solutions

POS wall system

Attractive showrooms and good advice from our retailers – these are the basis for creating a successful bond between the trade and the end customers. We support our resellers with modern sales concepts, including sales walls and productspecific displays. We offer a range of standard modules, taking into account individual requirements and requests, or product choices which are dependent on regional differences.

Display stands

Display stands for special product groups

Whether a freestanding single or in a sales wall integrated solution we find the ideal way for the perfect product presentation on any shop floor.

POS Display Landscaping

POS Display Cleaning

Trade fairs

FLORA exhibits at regional and international trade fairs in Germany and abroad. FLORA's aglessly modern trade fair presentations lead our visitors into the users' world, where their attention can be drawn to both new products and tried-and-tested solutions. The conversations and discussions which take place at the trade fairs represent the basis for good relationships and the source for innovations.
