# CA Dry: quiet and easy to handle professional vacuum cleaners

The CA Dry range consists of professional vacuum cleaners produced in three versions: CA15 BASIC, CA15 EXTRA and CA15 SILENZIO. They are vacuum cleaners in which attention is paid to the smallest detail to ensure excellent cleaning results while remaining extremely easy to handle. With a compact design, the CA15 are very handy and easily transportable. The CA Dry range is also characterized by being composed of vacuums suitable for working in environments where the noise level, air quality and practicality of use are essential prerogatives.

These professional vacuum cleaners are the ideal choice for cleaning companies and for environments in the healthcare sector, public sector, Ho.Re.Ca., Retail, Wellness & Sports and Crafts.

## KEY FACTORS OF THE CA DRY RANGE:

- The outgoing air is filtered to retain any residues produced by motor brushes.
- The incoming air for CA15 BASIC is filtered by a double layered paper bag and a sponge filter. Optional cartridge filter.
- The incoming air for CA15 EXTRA and CA15 SILENZIO is filtered by a microfiber filter bag and a cartridge filter.
- CA15 BASIC is the ideal vacuum cleaner for cleaning operations where practicality and silence are necessary features. Robust and with an oversized motor, it allows continuous work over time, without interruptions.
- CA15 EXTRA and CA15 SILENZIO are more complete and equipped vacuums with hose holder handle, accessory holder panel, non-marking tires, full bag indicator.
- CA15 SILENZIO is a powerful vacuum cleaner when situations so require, delicate but efficient when discretion is required. A series of technical measures allow the operator to control the engine power and the in-series filtration system returns purified and clean air to the environment.
- CA15 SILENZIO is equipped with a practical selector for noise reduction up to 53 dB.
- CA15 EXTRA and CA15 SILENZIO are vacuum cleaners equipped with a handy additional socket for powering an electric brush.
- CA15 EXTRA and CA15 SILENZIO are equipped with accessory holder panel, detachable cable and indicator light for full bag indication.
- Optional: HEPA filters both in input and output.
- Wide choice of available accessories that make the CA range of vacuum cleaners extremely customizable.

## MODELS

### CA15 BASIC

Tank capacity: 13 l  
Type: professional DRY  
Suction: 1 motor

### CA15 EXTRA

Tank capacity: 13 l  
Type: professional DRY  
Suction: 1 motor

### CA15 SILENZIO

Tank capacity: 13 l  
Type: professional DRY  
Suction: 1 motor
