

# MEMBERSHIP

Enhance your career with BICSc  
professional membership

# BECOME A MEMBER OF THE INSTITUTE AND DISCOVER THE BENEFITS OF BEING PART OF ONE OF THE LARGEST INDUSTRY MEMBERSHIP ORGANISATIONS.

## WHO ARE WE?

BICSc is the largest independent, professional and educational body within the cleaning industry. The BICSc brand is internationally recognised with a clientele of Corporate, Individual and Accredited Training Members in excess of 45,000.

Why not join a fast growing network of like-minded people.

## WE HAVE THREE TYPES OF MEMBERSHIP AVAILABLE

### Individual Membership

Our individual membership is centred on the educational route through BICSc accredited training and current active support and involvement in the industry. There are three individual membership grades which reflect a professional status in the cleaning industry and the use of the post nominal letters after your name. All members receive a card and lanyard on joining, as well as access to a whole host of benefits.

The membership is a yearly subscription and payment can be made by annual or monthly direct debit, credit card or BACS.

Our training starts with our Licence to Practice and this is also where our membership grades begin:

**PBICSc** - On completion of your Licence to Practice you receive one year free individual membership to BICSc, which can then be renewed annually.

**ABICSc** - If you have been in the cleaning industry for a year or more, hold a valid Licence to Practice, plus have five or more skills achieved through our Cleaning Professional's Skills Suite, then this is the next step for you.

**MBICSc** - If you have been in management for at least 5 years and have or previously held a Licence to Practice, or have an active involvement in the industry through Continuous Professional Development, then this is the highest membership grade you can apply for.

Continuous Professional Development (CPD Points) are gained in various ways, including our accredited training courses and workshops, through attendance of industry seminars and events, and up to date knowledge of the industry developments and trends. They do need to be maintained annually for ABICSc and MBICSc grades.

### Corporate Membership

Our corporate membership offers a company the use of our logo for emails and marketing purposes to reflect your membership of the Institute, plus our Click to Verify logo for website use that actively confirms membership status. The services of our technical help desk and preferential member rates on training courses and workshops aimed at your cleaning operatives and management are also one of the many benefits.

A corporate membership grade to appeal to franchisers and franchisees is also available, as well as one for businesses not in the cleaning industry but who support the aims of the Institute.

This membership subscription has a yearly or three yearly payment option, and again can be annual or monthly direct debit, credit card or BACS payments. Corporate membership fees are based on your company turnover and also have a one-off joining fee.

All members receive a certificate upon joining, and have access to our extensive choice of benefits.

### Accredited Training Membership

Our accredited training membership shows your commitment to professional standards by providing accredited training to your employees through your own BICSc approved assessors, who can assess and award members of staff certification in skills from our Cleaning Professional's Skills Suite.

All members receive the use of the BICSc accredited training member logo and the Click to Verify logo for their company website and all of the benefits we have to offer.

To become an accredited training member you will need to meet certain site and equipment requirements which will be approved by one of our BICSc verifiers.

An annual audit visit is an ongoing requirement for the accredited training member assessors and trainers to evidence their compliance with the BICSc standard of accreditation over the previous 12 months.

**CORPORATE MEMBER**  
SUPPORTING BICSc VALUES & MISSION!

**Example**  
THE BRITISH INSTITUTE OF CLEANING SCIENCE

**ACCREDITED TRAINING MEMBER**  
INVESTING IN BICSc TRAINING

**Example**  
THE BRITISH INSTITUTE OF CLEANING SCIENCE
