

Nova Auto

The perfect solution for maximum hygiene

Nova Auto is the latest innovation from Kennedy Hygiene - the market leader for feminine hygiene solutions.

Available in 22 L capacity, it has a modern and compact design for optimal floor space.

The Nova Auto embodies exceptional functionality, quality, and unique service-friendly features.

It is also available in Kennedy's premium finishes.

Stylish and compact, and with it comes new features for superior servicing:

Reliable and easy to clean no-touch technology

Slim design to fit in smaller cubicles

Side latches for easy opening

Smaller flap avoids disposal of unsuitable waste
