

ROOM SCENTING

FRAGRANCES LINES

**ALLEGRIINI
EMOZIONI
ITALIANE**

Allegrini Emozioni Italiane is the new fragrance brand for rooms and environments that tells the travel experience through the persuasive power of perfume. Each number corresponds to a different destination and each fragrance to a memory.

Carefully developed together with famous international master perfumers, the lines in fact have been designed to stimulate the human mind associating the fragrance present in a room and the city to which it refers.

With this associative mechanism that activates starting from the perfume, Allegrini Emozioni Italiane allows you to unlock personal revelations and emotions, taking you back to that specific place and moment, and giving a concrete identity to our spaces and environments.

THE ITALIAN CITIES

SPRAY LINE

ONLY GOOD MEMORIES.

A wide range of fragrances dressed in an attractive spray can. Used with the practical automatic dispenser, it is ideal to definitively contrast bad smells of bathrooms, kitchens, gyms and swimming pools.

NO GAS LINE

PALPABLE FRESHNESS.

A selection of fragrances ready to be sprayed into the room and environment, thanks to the handy pump. The innovative formulation rapidly neutralizes unpleasant odours of all kinds, leaving a pleasant and long-lasting fragrance for a unique relaxation moment. Ideal for the use on fabrics, curtains, rugs and towels.

BIG SPACE LINE

WIDE WELCOME.

Six extraordinary blends of essential oils and precious essences to use with the appropriate professional diffuser.

Characterized by extraordinary sensory characteristics associated to specific therapeutic properties, they give you unforgettable and intense olfactory itineraries.

The high concentration of perfume guarantees the perfect covering of large structures and spaces; indispensable to give a unique atmosphere to any environment (shops, offices, beauty centers, gyms, hotels, etc.).

LENTO RILASCIO LINE

A UNIQUE STYLE.

Born from an accurate selection, result of numerous tests, this line consists of four very performing fragrances, each with a high concentration, to be poured into the glass container for a gradually release through the rattan sticks.

The Lento Rilascio Line represents a real piece of furniture, efficient and elegant, to make welcoming any environment. Performance and design make this product unique for perfuming all environments.

MINI LINE

POCKET EMOTIONS.

Practical and indispensable in its pocket version, it is ideal to always bring with you. Every mini is able to perfume even curtains, fabrics, bath towels and all kind of carpets, neutralizing any type of smell and giving a long-lasting fragrance.

LE ESCLUSIVE

LENTO RILASCIO LINE

AUTEUR FRAGRANCES.

Le Esclusive Lento Rilascio line was born from an even more valuable ingredients selection, following a careful analysis made by Allegrini laboratories and some of the most important master perfumers in the world.

The line is composed by four fragrances, all characterized by a persistent fragrance, gradually released in the room by rattan sticks and enhanced by the elegant glass bottle. Ideal to fit out and make any room welcoming.

NO GAS LINE

SOFT AND SCENTED EXCLUSIVITY.

Class and elegance in a comfortable no-gas format: the elegant black and gold bottle has been created in a practical version with an ergonomic pump handle. Ideal for nebulizing the blend of essences in an elegant and immediate way, without neglecting the preciousness of fragrances. Practical needs meet the style of Le Esclusive, combining the refinement to the functionality. Designed for fabrics, curtains, carpets and towels.

MINI LINE

THE PRÊT-À-PORTER PERFUME.

Pocket version of Le Esclusive No Gas Line, the fragrances of the Mini line can fit anywhere thanks to its 30ml format. From packaging to the label, the Le Esclusive mini-bottle is essential but designed in every detail, with a real chic touch. To remember the emotion of a place and always carry it with you.

BIG SPACE LINE

A RENEWED HOSPITALITY CONCEPT.

Luxury hotellerie and wellness boutiques marry the Allegrini Emozioni Italiane philosophy: create a welcoming and elegant atmosphere dressing customers' memories, made of emotions and sensations.

Together with the professional diffuser, the Big Space line, studied for rooms up to 200 sqm, completes the elegant collection by defining new olfactory paths able to wrap the senses and bring back experienced emotions, almost forgotten.

With Le Esclusive fragrances reemerge the genius loci, that evocative space where emotions coexist with present and past feelings.
