# More than 30 years of experience in the professional sector

We are leaders in the manufacturing and selling of gloves, cleaning materials, food preservation products and single-use clothing for professionals.

## PROFESSIONALS LIKE YOU

At Cuatrogasa Profesional, we work tirelessly to find the best solutions for the hygiene and protection of professionals. From the very beginning, with our first glove factory in 1985, we've sought to offer you the best service in the sector with a wide and specialised product portfolio that adapts to your needs.

Our experience in the sector and the constant research of our professionals mean we boast one of the most extensive catalogues on the market, providing you with innovative and practical solutions for the hygiene and protection of professionals.
